

"See All Bots" Button Bug Report

in list [To Do](#)

Description

[Edit](#)

When you click on the "See All Bots" button, it does not display any bots.

Steps to Reproduce:

- 1. Navigate to <http://localhost:3000>
- 2. Click on "See All Bots" button

Expected Result:

- All bots should be displayed on the page

Actual Result:

- No bots are displayed
- The page doesn't reflect any changes
